

## RUSSELL BEARS

"Byron" is a new creation by Kim Russell of Russell Bears, he is designed to look scruffy and is now available as a pattern through her website.

*Reggie Rabbit, Tango, Banjo and Brandon.*

Another new collectable is an adorable baby owl named "Hoot", he is available as an open edition and his details are featured in this issue's Russell Bears advert.

Kim Russell designs two different ranges of artist bears, one for the discerning collector and one for the avid bear maker, she also offers Russell Bears designed exclusively for you. Recently, Kim has ventured into creating bears that are inspired by our pets, mainly our beloved canines. Have your best friend created as a collectable soft sculpture piece.
