

teach or conduct workshops, but is happy to help out if you need some pointers with her patterns, just send her an email and she will get back to you ASAP.

Working part time within the family business, means that Kim has to budget her time effectively to be able to create her bears and critters. Unfortunately, this only allows 1 or 2 pieces per month to be produced, and being fully booked with commissioned orders, means that not many pieces are readily available now days on her website. Being a fan of the "Online Shows", Kim participates regularly, therefore the majority of her new creations are offered via these shows and the occasional piece makes it to the "Teddy Bears and Critters" page of the website.

Russell Bear's website, www.russellbears.com, now offers a "Members Club", for those collectors who wish to receive priority information regarding new creations on offer before they are officially listed for sale. You will receive special "Sneak Peeks" of exclusive new creations on offer via various online shows. You can become a Russell Bears Member by submitting your details via the website or contacting Kim via email - kimruss69@bigpond.com.au.

Kim welcomes any queries or suggestions regarding her Russell Bears, and would love to hear from you. You can contact her via email or by Telephone +61 (0) 89307 1284, Fax +61 (0) 89403 3720, Mobile +61 (0) 427 635 040
